Thr, Mar 1st
3:00-4:30 in L-11

What to bring?

Bring or know your Federal Student Aid Programs PIN and be sure it's still active. If you don't know it or haven't ordered one yet, go to www.pin.ed.gov to retrieve or order one. You must do this in time for the number to become active (2 full working days) before the workshop.

Bring in a copy of your **2011** tax return (so get those taxes done!), all W-2's that go with it and verification of any other type of income for the year 2011.

Note: Dependent students will need parents' Federal Student Aid Programs PIN, **2011** tax return, all W-2's that go with it, the Social Security Number(s) and name(s) as associated with the Social Security card(s).
