Brushes: 1" Flat aquarelle brush, #8 or #10 round Simply Simmons watercolor, #2 or #3 script liner

Important Miscellaneous:

- Hair dryer, extension cord, 1qt. wide mouth plastic water container
- 2 Sponges (one cellulose kitchen type and one elephant ear natural sponge)
- 1" drafting or painter's tape, scissors, (masking fluid, masking brush or nib optional)
- Pencil, kneaded eraser, Robert Bateman sketchbook (9"x12" or larger)

Sport Bag and/or Portfolio to Carry Everything

Note: If you have the Jones or John Pike Palette, make sure it fits flat (like a tray) in the bottom of your bag to prevent your paints from moving into each other. Then put your brushes, pencil and eraser in the lid holder, lay your sketchbook and watercolor pad on next and place everything else in the empty water container on top. Use the Portfolio to hold your board, paper and books.
