

2011-2012 ANNUAL CLASS SCHEDULE

Please keep this publication as a reference for the upcoming academic year.

Also available online: www.skagit.edu/sched_search.asp

WHIDBEY ISLAND CAMPUS

FALL QUARTER, 2011 p 3

Includes course line numbers and can be used for registration purposes.

WINTER QUARTER, 2012 p 17

SPRING QUARTER, 2012 p 31

SOUTH WHIDBEY CENTER

FALL QUARTER, 2011 p 45

Includes course line numbers and can be used for registration purposes.

WINTER QUARTER, 2012 p 47

SPRING QUARTER, 2012 p 49

For summer course offerings, see the quarterly class schedule for summer, 2010.

Many classes at SVC include an online component, so check with your instructor to determine if your class requires online access. Computer lab access is available at all campuses and centers.

The Annual Schedule is a planning guide. Changes may occur, so please refer to our online schedule, www.skagit.edu/sched_search.asp, for an up-to-date listing of courses.

Every effort has been made to assure the accuracy of the information contained in this publication. Students are advised, however, that such information is subject to change without notice, and advisors should, therefore, be consulted on a regular basis for current information.

Skagit Valley College catalogs, class schedules, web site, fee schedules, etc., do not create binding contracts between Skagit Valley College and its students. The college and its divisions reserve the right at any time to make changes in any regulations or requirements governing instruction in and graduation from the college and its various divisions. Changes shall take effect whenever the proper authorities

determine and shall apply not only to prospective students but also to those who are currently enrolled at the college. Except as other conditions dictate, the college will make every reasonable effort to ensure that students currently enrolled in programs, and making normal progress toward completion of any requirements, will have the opportunity to complete any program which is to be discontinued. The college's total liability for student claims related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes. In no event shall the college be liable for any special, indirect, incidental or consequential damages, including but not limited to, loss of earnings or profits.

All Skagit Valley College publications and documents are available in alternate formats upon request by calling Disability Support Services, 360.416.7818.

Skagit Valley College provides a drug-free environment and does not discriminate on the basis of race, color, national origin, sex, disability, sexual orientation, or age in its programs and employment. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Executive Director of Human Resources
2405 E. College Way
Mount Vernon, WA 98273
360.416.7794

El Skagit Valley College provee de un ambiente libre de drogas y ninguna discriminación para sus programas ó empleo basados en raza, color, nacionalidad, sexo, discapacidades, orientación sexual ó la edad. La siguiente persona ha sido designada para manejar preguntas relacionadas con las pólizas de no-discriminación:

Director Ejecutivo de Recursos Humanos
2405 E. College Way
Mount Vernon, WA 98273
360.416.7794

FAMILY LIFE - PARENT EDUCATION COOPERATIVES (CO-OP)

The Family Life Program, operated in conjunction with parent cooperative pre-schools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville	Preschool	360.678.2232 (answering machine)
	Janet Heverling	360.679.5347
South Whidbey	Voice mail	360.221.5080
	Janet Heverling	360.321.0696, ext 5347

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call René Denman at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-

going activity groups. The program serves low-income parents. For eligibility information and application call 360.279.5052 or 360.416.7590.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years-old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at 360.675.6656 ext.5348 and from South Whidbey 360.321.0696 ext.5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has two centers located in Oak Harbor. For eligibility information and application call 360.279.5052 or 360.416.7590.

DAY
7445 CSS 100C WL3 (2) 2:30PM-4:20PM T A308 DARDEN
Hybrid course: Meets in the classroom for 5 weeks, Sept 27-Oct 25, plus an additional 1 hour per week online for remainder of the quarter.

English 101: Writing by the Book

All students will read a book in common that is currently in the news. The course combination will sharpen reading and thinking skills while providing a forum for polishing college writing. READ 107 is taught ONLINE. Students

must enroll in both classes. Prerequisite: Appropriate test scores or a grade of "C" or higher in ENGL 99.

DAY
7712 ENGL& 101C WL3 (5) 12:30PM-1:50PM MWTh A313 DAVERN

ONLINE
3492 READ 107C WL3 (1) ARR DAVERN
Contact: gail.davern@skagit.edu.

English 101: Writing with Psychology

Students practice their writing skills within the context of a general psychology class. All students in ENGL& 101C WL2 must also be in PSYC& 100P WL2.

EVENING
7711 ENGL& 101C WL2 (5) 5:00PM-6:20PM MWTh A225 HUGHES
8576 PSYC& 100P WL2 (5) 6:30PM-9:00PM MW A314 DARDEN
Skills Designated: Speech.

Outlaws & Outcasts (D)

Through the study of fiction, poetry, and film, students will be exposed to some of the famous outlaws and lesser-known outcasts of American literature. Prerequisite: Grade of 2.0 or higher in ENGL 101.

ONLINE
3193 ENGL& 101C D1A (5) ARR STAFF

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Room C005. Refer to listings under new department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://info.coursecompass.com/website/support.html>. If

you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

MATH 095 Basic Mathematics

This course is available in the Whidbey Island Campus Mathematics Center. See course listings in the Mathematics Center section of this schedule.

MATHEMATICS CENTER

Courses in basic mathematics, pre-algebra, elementary and intermediate algebra, and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home; however, all testing must be done in the Math Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. COMPASS test required. See Student Services, Room B100, 360.679.5319.

Cooperative Education (Co-op) is a supervised work-based experience in a student's field of study that offers the student an opportunity to integrate classroom theory with practical on-the-job experience. Students are required to meet with the Co-op Coordinator before starting Co-op. Visit the Whidbey Co-op Webpage: www.skagit.edu/wic-coop. Choose the appropriate number of credits desired when registering: number of credits required varies by department. See your department chair for more information. Students will use Moodle system for assignments, documents, and other applicable information.

FAMILY LIFE - PARENT EDUCATION COOPERATIVES (CO-OP)

The Family Life Program, operated in conjunction with parent cooperative pre-schools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The pro-

gram offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville	Preschool	360.678.2232 (answering machine)
	Janet Heverling	360.679.5347
South Whidbey	Voice mail	360.221.5080
	Janet Heverling	360.321.0696, ext 5347

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call René Denman at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-going activity groups. The program serves low-income parents. For eligibility information and application call 360.279.5052 or 360.416.7590.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years-old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at 360.675.6656 ext.5348 and from South Whidbey 360.321.0696 ext.5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has two centers located in Oak Harbor. For eligibility information and application call 360.279.5052 or 360.416.7590.

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Room C005. Refer to listings under new department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://info.coursecompass.com/website/support.html>. If

you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

MATHEMATICS CENTER

Courses in basic mathematics, pre-algebra, elementary and intermediate algebra, and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home; however, all testing must be done in the Math Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. COMPASS test required. See Student Services, Room B100, 360.679.5319.

COOPERATIVE EDUCATION EXPERIENCE

Cooperative Education (Co-op) is a supervised work-based experience in a student's field of study that offers the student an opportunity to integrate classroom theory with practical on-the-job experience. Students are required to meet with the Co-op Coordinator before starting Co-op. Visit the Whidbey Co-op Webpage: www.skagit.edu/wic-coop. Choose the appropriate number of credits desired when registering: number of credits required varies by department. See your department chair for more information. Students will use Moodle system for assignments, documents, and other applicable information.

FAMILY LIFE - PARENT EDUCATION COOPERATIVES (CO-OP)

The Family Life Program, operated in conjunction with parent cooperative preschools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville	Preschool	360.678.2232 (answering machine)
	Janet Heverling	360.679.5347
South Whidbey	Voice mail	360.221.5080
	Janet Heverling	360.321.0696, ext 5347

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call René Denman at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-going activity groups. The program serves low-income parents. For eligibility information and application call 360.279.5052 or 360.416.7590.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years-old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application

contact the ECEAP Office at 360.675.6656 ext.5348 and from South Whidbey 360.321.0696 ext.5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has two centers located in Oak Harbor. For eligibility information and application call 360.279.5052 or 360.416.7590.

For information about Marine Maintenance courses for Spring 2012, contact Department Chair Mike Swietzer at mike.swietzer@skagit.edu or 766-6282.

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Room C005. Refer to listings under new department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://info.coursecompass.com/website/support.html>. If you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

Prerequisite: MATH& 152 with a grade of C or higher.

EVENING

8152 MATH& 153 AW (5) 5:00PM-6:20PM MWTh A314 MCCLEERY

Students must visit <http://faculty.skagit.edu/jimmccleery> for information regarding textbooks and other required supplies. Contact: jim.mccleery@skagit.edu.

MATHEMATICS CENTER

Courses in basic mathematics, pre-algebra, elementary and intermediate algebra, and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home; however, all testing must be done in the Math Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. COMPASS test required. See Student Services, Room B100, 360.679.5319.

MATH 095 Basic Mathematics
