2015-2016 ANNUAL CLASS SCHEDULE

Please keep this publication as a reference for the upcoming academic year.
Includes course line numbers and can be used for registration purposes.

Also available online: www.skagit.edu/sched_search.asp

WHIDBEY ISLAND CAMPUS

FALL QUARTER, 2015.....	p 3
WINTER QUARTER, 2016	p 15
SPRING QUARTER, 2016	p 27

SOUTH WHIDBEY CENTER

FALL QUARTER, 2015.....	p 39
WINTER QUARTER, 2016	p 41
SPRING QUARTER, 2016	p 43

For summer course offerings, see the quarterly class schedule for summer, 2015.
Many classes at SVC include an online component, so check with your instructor to determine if your class requires online access. Computer lab access is available at all campuses and centers.

THE ANNUAL SCHEDULE IS A PLANNING GUIDE, SO CHANGES MAY OCCUR. Please refer to our online schedule, www.skagit.edu/sched_search.asp, for an up-to-date listing of courses.

Every effort has been made to assure the accuracy of the information contained in this publication. Students are advised, however, that such information is subject to change without notice, and advisors should, therefore, be consulted on a regular basis for current information.

Skagit Valley College catalogs, class schedules, web site, fee schedules, etc., do not create binding contracts between Skagit Valley College and its students. The college and its divisions reserve the right at any time to make changes in any regulations or requirements governing instruction in and graduation from the college and its various divisions. Changes shall take effect whenever the proper authorities determine and shall apply

not only to prospective students but also to those who are currently enrolled at the college. Except as other conditions dictate, the college will make every reasonable effort to ensure that students currently enrolled in programs, and making normal progress toward completion of any requirements, will have the opportunity to complete any program which is to be discontinued. The college's total liability for student claims related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes. In no event shall the college be liable for any special, indirect, incidental or consequential damages, including but not limited to, loss of earnings or profits.

All Skagit Valley College publications and documents are available in alternate formats upon request by calling Disability Support Services, 360.416.7818.

Skagit Valley College provides a drug-free environment and does not discriminate on the basis of race, color, national origin, sex, disability, sexual orientation, or age in its programs and employment. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Executive Director of Human Resources
2405 E. College Way
Mount Vernon, WA 98273
360.416.7794

El Colegio Comunitario de Skagit brinda un entorno sin drogas y no discrimina a nadie de sus programas ni empleos por motivos de raza, color, origen nacional, sexo, discapacidad, orientación sexual ni edad. Se ha designado a la siguiente persona para ocuparse de las consultas relacionadas con las políticas antidiscriminatorias:

Director Ejecutivo de Recursos Humanos
2405 E. College Way
Mount Vernon, WA 98273
360.416.7794

FAMILY LIFE

The Family Life Program, operated in conjunction with parent cooperative preschools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville Preschool 360.678.2232 (answering machine)
360.679.5348

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call Jaemee Witmer at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-going activity groups. The program serves low -income parents. For eligibility information and application call 360.279.5930 or 360.279.5932.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at 360.675.6656 ext. 5348 and from South Whidbey 360.321.0696 ext. 5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has classrooms located in Oak Harbor. For eligibility information and application call 360.279.5930 or 360.279.5932.

LEARNING COMMUNITIES

These Learning Communities pair a composition class with another discipline to reinforce learning and meets a Learning Community requirement for all Associate degrees. Students seeking DTA, ABT, or AS degrees may use Linked Learning Communities to meet part of the Integrated Studies requirements. For more information, see Student Services or talk with a member of the English Department. English 101 prerequisite: Appropriate COMPASS score or a grade of "C" or higher in ENGL 99. English 104 prerequisite: Grade of 2.0 or higher in ENGL 101.

COMPOSITION

Writing by the Book

All students will read a book in common that is currently in the news. The course combination will sharpen reading and thinking skills while providing a forum for polishing college writing. READ 107 is taught ONLINE. Students must enroll in both classes to receive learning community credit. Prerequisite: Appropriate test scores or a grade of "C" or higher in ENGL 99.

NON-COMPOSITION

Cuban Connections: People to People (D)

This integrative learning experience seeks to discover and explore the relationships between Cuban culture, Modern Art and Dance. A goal of the course is to prepare students to take a trip to Cuba during Spring Break of 2016. Taking the trip is not a requirement of the learning experience and is not covered by the course fees.

ONLINE

2945 ART 144C WLF (5) ARR HALL S

Contact: sharon.hall@skagit.edu.

EVENING

8471 PE 146C WLF (1) 06:30PM-08:20PM W H137 EKLUND

This class will emphasize a variety of Latin dances like: Salsa, Cha Cha, Bachata, Merengue and Rumba. These social partner dances have irresistible rhythms with their influences from Cuba, the Dominican Republic, South America, the Caribbean and Africa.

LEARNING INTO ACTION

Helping students apply skills outside of the classroom.

Learning Into Action (LIA) allows students to design projects outside the classroom which demonstrate skills and knowledge acquired in college course work. Students who have approximately 45 transferable credits are eligible to complete a (LIA) project. All LIA projects must demonstrate the student's acquired knowledge and skills. Some examples include: Cooperative Education, original research, study abroad, community service, campus related activities, developing exhibits, lab work, or clinical experience. For more information or to make an appointment, contact Student Services at 360.679.5319 in Oak Harbor or 360.341.2324 at South Whidbey.

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Hayes Hall room 108. Refer to listings under department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore.

However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://pearsonmylabandmastering.com/system-requirements/>. If you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

MATHEMATICS CENTER

COMPASS test required Courses in basic mathematics, pre-algebra, elementary and intermediate algebra, and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home;

however, all testing must be done in the Math Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. See Student Services, Room B100, 360.679-5319. Lab Fee: \$22.

COOPERATIVE EDUCATION

Cooperative Education is work-based learning related to a student's Professional or Technical major. Students find a job or volunteer placement and receive one credit for every 30 hours of work. Students participate weekly in an online seminar hosted on Moodle. Students have an option of completing 50 hours of work per credit and omitting the seminar requirement. Prerequisite: Faculty approval, followed by the completion of an orientation. For more information, visit the Cooperative Education web site at www.skagit.edu/co-op or contact Brock Veltri, Cooperative Education Coordinator in the Counseling and Career Services office; at the Mount Vernon Campus 360.416.7684 or brock.veltri@skagit.edu. Student Intern Liability Insurance Fee: \$13.28.

The Family Life Program, operated in conjunction with parent cooperative preschools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville Preschool 360.678.2232 (answering machine)
360.679.5348

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call Jaemee Witmer at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-going activity groups. The program serves low-income parents. For eligibility information and application call 360.279.5930 or 360.279.5932.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at 360.675.6656 ext. 5348 and from South Whidbey 360.321.0696 ext. 5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has classrooms located in Oak Harbor. For eligibility information and application call 360.279.5930 or 360.279.5932.

LEARNING INTO ACTION**Helping students apply skills outside of the classroom.**

Learning Into Action (LIA) allows students to design projects outside the classroom which demonstrate skills and knowledge acquired in college course work. Students who have approximately 45 transferable credits are eligible to complete a LIA project. All LIA projects must demonstrate the student's acquired knowledge and skills. Some examples include: Cooperative Education, original research, study abroad, community service, campus related activities, developing exhibits, lab work, or clinical experience. For more information or to make an appointment, contact Student Services at 360.679.5319 in Oak Harbor or 360.341.2324 at South Whidbey.

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Hayes Hall room 108. Refer to listings under department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://pearsonmylaband-mastering.com/system-requirements/>. If you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

Contact: jeff.stady@skagit.edu or check <http://faculty.skagit.edu/jeffstady>. This course requires a proctored final. This requires one trip to campus, or to a proctored location near you. See <http://faculty.skagit.edu/jeffstady> for details.

MATH& 152 Calculus II

Prerequisite: MATH& 151 with a grade of C or higher.

EVENING

8054 MATH& 152 AW (5) 05:00PM-06:20PM MWTh A314 STAFF
Contact: jeff.stady@skagit.edu or check <http://faculty.skagit.edu/jeffstady>.

MATHEMATICS CENTER

COMPASS test required. Courses in basic mathematics, pre-algebra, elementary and intermediate algebra and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home; however, all testing must be done in the Mathematics Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information, contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. See Student Services, Room B100, 360.679.5319. Lab Fee: \$22.

AT 100 Automotive Fundamentals

ONLINE

3006 AT 100 DE (3) ARR SCHAFFNER

This is an online course designed for self-paced completion.

BIOLOGICAL SCIENCES

BIOL& 100 Survey of Biology

Prerequisite: Recommended that students complete Math 98 and English 99 both with a C or better prior to taking this course.

ONLINE

3012 BIOL& 100 DEW (5) ARR PFLUGFELDER

Contact: christina.pflugfelder@skagit.edu.

BIOL 205 Marine Biology

Prerequisite: Recommended that students complete Math 98 and English 99 both with a C or better prior to taking this course.

DAY

7264 BIOL 205 AW (5) 09:00AM-10:20AM MF A313 ELLISER

LAB 09:00AM-10:50AM W A110 ELLISER

Lab fee: \$40.

BIOL& 211 Majors Cellular

Prerequisite: CHEM& 121 or 161 (or equivalent) within the last 2 years, with a C grade (2.0) or higher, or permission of instructor or counselor.

DAY

7269 BIOL& 211 AW (5) 10:00AM-11:50AM MW A225 BRADY

LAB 10:00AM-11:50AM F A110 BRADY

Lab fee: \$40.

7271 BIOL& 211 BW (5) 02:00PM-04:00PM MW A313 KANSY

LAB 02:00PM-04:00PM Th A110 KANSY

Lab fee: \$40.

BIOL& 242 Human Anatomy & Physiology 2

Prerequisite: BIOL& 241 passed with a C grade (2.0) or higher.

DAY

7280 BIOL& 242 AW (5) 11:00AM-12:50PM MW A313 PFLUGFELDER

LAB 10:30AM-12:20PM T A110 PFLUGFELDER

Lab fee: \$40.

EVENING

7282 BIOL& 242 BW (5) 05:30PM-07:20PM MW A313 PFLUGFELDER
LAB 07:30PM-08:30PM MW A110 PFLUGFELDER

Lab fee: \$40.

BIOL& 260 Microbiology

Prerequisite: BIOL& 211, passed with a C grade (2.0) or higher. Or, BIOL& 221, 222, and 223 passed with a C grade (2.0) or higher.

DAY

7285 BIOL& 260 AW (5) 11:00AM-12:20PM T A313 BRADY
LAB 01:30PM-03:20PM T A110 BRADY

FAMILY LIFE

The Family Life Program, operated in conjunction with parent cooperative preschools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe their child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:
 Coupeville Preschool 360.678.2232 (answering machine)
 360.679.5348

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call Jaemee Witmer at 360.679.1039 or your local school district.
Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-going activity groups. The program serves low-income parents. For eligibility information and application call 360.279.5930 or 360.279.5932.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at 360.675.6656 ext. 5348 and from South Whidbey 360.321.0696 ext. 5348.
Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has classrooms located in Oak Harbor. For eligibility information and application call 360.279.5930 or 360.279.5932.

Requires the ability to use a computer and the Internet. For HSERV Chemical Dependency students.

LEARNING COMMUNITIES

These Learning Communities pair a composition class with another discipline to reinforce learning and meets a Learning Community requirement for all Associate degrees. Students seeking DTA, ABT, or AS degrees may use Linked Learning Communities to meet part of the Integrated Studies requirements. For more information, see Student Services or talk with a member of the English Department. English 101 prerequisite: Appropriate COMPASS score or a grade of "C" or higher in ENGL 99. English 104 prerequisite: Grade of 2.0 or higher in ENGL 101.

COMPOSITION

ENGLISH 101: Writing by the Book

All students will read a book in common that is currently in the news. The course combination will sharpen reading and thinking skills while providing a forum for polishing college writing. READ 107 is taught ONLINE. Students must enroll in both classes to receive learning community credit. Prerequisite: Appropriate test scores or a grade of "C" or higher in ENGL 99.

NON-COMPOSITION

Knowing and Learning

This class is an interdisciplinary examination of how we know and learn. Using the tools of biological sciences, psychology, and philosophy, students explore how the brain acquires and uses knowledge. This 5 credit course gives full Learning Community credit. Students have the choice between PSYC 115 which gives distribution credits in the Cultures or PHIL 115 which gives distribution credit in the Arts.

DAY

8568 PHIL 115C AWI (5) 10:15AM-12:30PM TF A314 BERNHARDT-HOUSE

LEARNING INTO ACTION

Helping students apply skills outside of the classroom.

Learning Into Action (LIA) allows students to design projects outside the classroom which demonstrate skills and knowledge acquired in college course work. Students who have approximately 45 transferable credits are eligible to complete a (LIA) project. All LIA projects must demonstrate the student's ac-

quired knowledge and skills. Some examples include: Cooperative Education, original research, study abroad, community service, campus related activities, developing exhibits, lab work, or clinical experience. For more information or to make an appointment, contact Student Services at 360.679.5319 in Oak Harbor or 360.341.2324 at South Whidbey.

MARINE MAINTENANCE

Marine Technology and Composites programs meet at Northwest Career & Technical Academy, located at 1606 R Avenue, Anacortes, WA. 360.766.6282.

CMPST 127 Advanced Composites Construction and Repair

DAY
7917 CMPST 127 AW (5) 04:00PM-05:50PM MTWTh SWIETZER

MT 133 Marine Electrical Systems II

Prerequisite: MT 132 or instructor permission.

DAY
7922 MT 133 AW (5) 04:00PM-05:50PM MTWTh BEEMER
Must be co-enrolled in MT 133, MT 136, and MT 240 or receive instructor permission to enroll in class.

MT 136 Marine Sanitation Systems, Plumbing and Pumps

DAY
7924 MT 136 AW (5) 02:00PM-03:50PM MTWTh SWIETZER
Must be co-enrolled in MT 133, MT 136, and MT 240 or receive instructor permission to enroll in class.

MT 199 Cooperative Education Experience

Prerequisite: Instructor permission required.

DAY
7928 MT 199 AW (2) ARR VELTRI

MT 231 Marine Heating, Air Conditioning & Refrigeration

Prerequisite: MT 132 or instructor permission.

EVENING
7931 MT 231 AW (5) 06:30PM-10:00PM MT BEEMER

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Hayes Hall room 108. Refer to listings under department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://pearsonmylaband-mastering.com/system-requirements/>. If you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

MATH 095 Basic Mathematics

This course is available in the Whidbey Island Math Center. See course listings in the Mathematics Center section of this schedule.

MATH 096 Pre-Algebra

Prerequisite: Math 095 with a grade of C or higher, or equivalent math placement score.

EVENING
8098 MATH 096 AW (5) 06:30PM-09:00PM MW A225 STAFF

MATHEMATICS CENTER

COMPASS test required. Courses in basic mathematics, pre-algebra, elementary and intermediate algebra and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home; however, all testing must be done in the Mathematics Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information, contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. See Student Services, Room B100, 360.679.5319. Lab Fee: \$22.

COOPERATIVE EDUCATION

Cooperative Education is work-based learning related to a student's Professional or Technical major. Students find a job or volunteer placement and receive one credit for every 30 hours of work. Students participate weekly in an online seminar hosted on Moodle/Canvas. Students have an option of completing 50 hours of work per credit and omitting the seminar requirement. Prerequisite: Faculty approval, followed by the completion of an orientation. For more information, visit the Cooperative Education web site at www.skagit.edu/co-op or contact Brock Veltri, Cooperative Education Coordinator in the Counseling and Career Services office; at the Mount Vernon Campus 360.416.7684 or brock.veltri@skagit.edu. Student Intern Liability Insurance Fee: \$13.28.

FAMILY LIFE

The Family Life Program, operated in conjunction with parent cooperative preschools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville Preschool 360.678.2232 (answering machine)
360.679.5348

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your child would qualify for this program, call Jaemee Witmer at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through ongoing activity groups. The program serves low-income parents. For eligibility information and application call 360.279.5930 or 360.279.5932.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4 years old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at 360.675.6656 ext. 5348 and from South Whidbey 360.321.0696 ext. 5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has

classrooms located in Oak Harbor. For eligibility information and application call 360.279.5930 or 360.279.5932.

Lab fee: \$40.

LEARNING INTO ACTION

Helping students apply skills outside of the classroom.

Learning Into Action (LIA) allows students to design projects outside the classroom which demonstrate skills and knowledge acquired in college course work. Students who have approximately 45 transferable credits are eligible to complete a (LIA) project. All LIA projects must demonstrate the student's acquired knowledge and skills. Some examples include: Cooperative Education, original research, study abroad, community service, campus related activities, developing exhibits, lab work, or clinical experience. For more information or to make an appointment, contact Student Services at 360.679.5319 in Oak Harbor or 360.341.2324 at South Whidbey.

MATHEMATICS

COMPASS test required. Math 9.99 is offered in a LAB setting with a combination of self-directed problem sets and mini-lectures mixed with at home assignments. Assistance and instruction are available to students during the hours listed. Lab fee: \$22.00.
