

SUMMER SCHEDULE 2011

SEE YOURSELF IN A WHOLE NEW LIFE

The SVC Art Gallery,
Gary Knutzen Cardinal Center

WASHINGTON MONTHLY MAGAZINE 2010
HAS RANKED SKAGIT VALLEY COLLEGE AS

19TH IN THE NATION!

*With the 2010 recognition, Skagit Valley College becomes
the only community college in Washington to appear
on both the 2007 and 2010 lists.*

Classes begin

Tuesday, July 5

For course descriptions, please visit
www.skagit.edu/schedules

WWW.SKAGIT.EDU

Welcome to Skagit Valley College!

Welcome to Skagit Valley College! If you are considering new career options, beginning your college experience, or continuing your passion for lifelong learning, we are committed to help you achieve your degree or workforce credentials.

In our efforts to help more students reach their academic goals, Skagit Valley College is participating in Achieving the Dream—a national community college strategic improvement process designed to significantly improve student success rates. Since workers with postsecondary education or training hold six in ten jobs in today's labor market and sixty-three percent of projected job openings by 2018 will require at least some college education, Skagit Valley College is here to help you succeed!

Our faculty and staff's dedication to your success is evident in our award-winning programs such as Advancement Via Individual Determination (AVID), student learning communities, and Integrated Basic Education and Skills Training (I-BEST). Skagit Valley College also ranks among the nation's best community colleges—we were

named #19 in Washington Monthly magazine's 2010 ranking of "America's 50 Best Community Colleges."

So, whether you are attending in Mount Vernon, Oak Harbor, Clinton, Friday Harbor, or via eLearning, you will discover that people make the difference here. Helping our students transform their ideas into possibilities, their challenges into opportunities, and their visions into successes is our number one priority.

I encourage you to experience those who inspire you to reach higher, challenge you to persevere, and help you to achieve your dreams. On behalf of the faculty, staff, administration, and Board of Trustees, I extend my best wishes for success at Skagit Valley College.

Sincerely,

Dr. Gary Tollefson
President

— Our Mission Statement —

Skagit Valley College exists to expand opportunities and horizons for students and to improve the communities in which they live. We achieve this by welcoming and valuing diverse learners, providing quality education and support, and contributing community leadership and service.

Board of Trustees

John Stephens, Chair

Debra Lisser, Vice Chair

Don Piercy

Margaret Rojas

Every effort has been made to assure the accuracy of the information contained in this publication. Students are advised, however, that such information is subject to change without notice, and advisors should, therefore, be consulted on a regular basis for current information.

Skagit Valley College catalogs, class schedules, web site, fee schedules, etc., do not create binding contracts between Skagit Valley College and its students. The college and its divisions reserve the right at any time to make changes in any regulations or requirements governing instruction in and graduation from the college and its various divisions. Changes shall take effect whenever the proper authorities determine and shall apply not only to prospective students but also to those who are currently enrolled at the college. Except as other conditions dictate, the college will make every reasonable effort to ensure that students currently enrolled in programs, and making normal progress toward completion of any requirements, will have the opportunity to complete any program which is to be discontinued. The college's total liability for student claims related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes. In no event shall the college be liable for any special, indirect, incidental or consequential damages, including but not limited to, loss of earnings or profits.

REGISTRATION SCHEDULE FOR SUMMER & FALL

Before registering, contact your advisor for help in choosing classes.

Returning students.....	May 9	Summer classes start	July 5
New Advised students.....	May 25	Late Registration.....	July 5 - 7
Open Enrollment	June 2	With Instructor Permission Only	
Summer tuition due	June 7	After July 7

Tuition
is due at the time of registration on or after
June 7, 2011.
Keep track of your place on any wait lists. Your fees are due immediately upon enrollment from the wait list.

Online Registration

Online Registration hours:
8 am-8 pm daily, except holidays

1. Visit our web site, www.skagit.edu
2. Click on *MySVC*.
3. Click on Register Online.
4. Enter your login information
 - » Student Identification Number (SID).
 - » Personal Identification Number (PIN).
This is usually your birth date in MM/DD/YY format.
 - » Quarter you wish to register for from the drop-down menu.
5. Click **Enter Registration**.
6. Read the Welcome Page info and click **Continue**.

Using the Registration Screen to Add a Class

In an open box on the left-hand frame, enter the line number for each course you have selected. You may enter up to five classes at one time. Prerequisites must be added at the same time. After entering each number, click **Submit Add/Drop**.

To Add a Class with an Entry Code

- » You must first obtain the code from the instructor or department chair.
- » Enter the course line number and click **Submit Add/Drop**.
- » A message will display informing you that an entry code is required for the course you have selected. In the open box, enter the correct entry code. Click **Submit Entry Code**.

To Add a Variable Credit Course

To register for a variable-credit course, register first for that course before adding others, as the system will enroll you in the maximum number of credits available for the course. You may adjust the credits after you have registered for it.

- » Enter the course line number and click **Submit Add/Drop**.
- » Click **Change Credits**.
- » In the box displaying the current number of credits assigned to the course, enter the number of credits you need. Click **OK** to accept the change.

To Drop a Class

- » Enter the line number. Click **Submit Add/Drop**.
- » A message will display that you are about to drop a course. Click **OK** to confirm or **Cancel** to remain enrolled in the course.

To Complete Registration

- » Click **Finish**.

Wait List

REMEMBER: When you are on a wait list and an opening occurs, you will be automatically registered for the course. **Check the wait list daily to avoid unwanted debt.** To check your position, see if you have been enrolled in a class from the wait list, or if you have been removed from the wait list go to www.skagit.edu and using the *MySVC* link, click on check your wait list status.

 **THE WAIT LIST FUNCTION IS NOT AVAILABLE ONLINE AS OF JULY 5, 2011, 5:00 PM.**

- **NOTE:** It is your responsibility to monitor your movement on the wait list. You will be charged for all classes in which you are enrolled from the electronic wait list.

Mail-In Registration

Complete the Mail-In Registration Form on page 8 of this schedule. Send it, together with a check, money order or credit card authorization, to:

SVC Mail-In Registration
2405 East College Way
Mount Vernon, WA 98273-5899

Or, fax your completed Registration Form and credit card authorization to **360.416.7890**

- **NOTE:** *SVC reserves the right to return registration forms that are incomplete or submitted without payment.*

In-Person Registration

All new and Non-Degree-Seeking students can register in-person at the Registration Office at any campus or center. The following students must register in-person or with advisor assistance:

- » New Students attending for the first time
 - » Adult Basic Education
 - » High School Completion
 - » Under 18 years of age
 - » Students who require departmental or program advisor signatures on their registration form.
 - » Students registering on a space-available basis (including the Unemployed/Underemployed Tuition Waiver and Staff Waiver) must register in person on or after the first day of the quarter
- Students in the following programs register in class during the first day of class:
- » Head Start
 - » Family Life
 - » Apprenticeships

Helpful Hints with Online Registration

Your **SID** number is a 9-digit system-assigned number. Your **PIN** is your birth date as a 6-digit number until you change it.

Example: July 4, 1980 = 070480

To Change your PIN using MySVC

- Enter Student ID number
- Enter PIN
- Enter new 4-6 digit PIN
- Enter new PIN once more & confirm it

Class Schedule Printout

If registering in person, you will be given a copy by the Registration staff. Or, download it from the web site, www.skagit.edu, using the *MySVC* link, or print a copy using the student kiosks at the Mount Vernon and Whidbey Island campuses.

Quarter Codes

- 1 = Summer
- 2 = Fall
- 3 = Winter
- 4 = Spring

Former Students

Former Students (before 1995) must request a PIN before using online registration.

The Schedule Planner — use it to help plan your classes!

- From the *MySVC* link, www.skagit.edu, click on Schedule Planner.
- You can transfer line numbers to the Registration page!

Need Your Registration Date & Time?

- Go to the *MySVC* link at www.skagit.edu
- Click on **Registration Appointment**.
- Enter your SID and PIN.

Overload charges (over 18 credits):

\$78.40 per credit

Non-Resident Waiver

Students who are U.S. citizens or INS permanent residents may enroll Fall Quarter under the following per credit rate:

CREDITS	TUITION	FEES*	PER CREDIT
1-8	100.00	7.50	107.50
9-10	100.00	2.50	102.50
11-17	77.00	1.00	78.00
18	77.00	0.0	77.00

Overload charges (over 18 credits):

\$69.80 per credit

International Students

CREDITS	TUITION	FEES*	PER CREDIT
1-8	259.00	7.50	266.50
9-10	259.00	2.50	261.50
11-17	40.00	1.00	41.00
18	40.00	0.0	40.00

Overload charges (over 18 credits):

\$250.40 per credit

Adult Basic Education/ESL

\$25.00 per person per quarter

* Fees:

General Fee—\$1 per credit up to a maximum of \$17 per quarter. In exchange for paying this fee, students receive ASSET and COMPASS testing as they enter the college, unlimited transcript requests prior to and after graduation, and graduation regalia and diplomas.

Student Technology Fee—\$5 per credit up to a maximum of \$40 per quarter. This is a student-controlled fee that pays for student-use technology such as computers and staffing for general computer labs, student e-mail, and other emerging technology enhancements.

ASSVC Self Assessed Building Fee—\$1.50 per credit up to a maximum of \$15 per quarter. Funds collected from this fee pay for student facilities at the college including the newly remodeled Campus Center building on the Mount Vernon Campus and improvements to student facilities on the Whidbey Island Campus and South Whidbey and San Juan centers.

eLEARNING Fee—\$22.00 per eLearning and/or hybrid course up to a maximum of \$44 per quarter. This fee subsidizes the cost of the software licenses necessary to offer courses in online formats. It also pays for the cost of on-ground, online, and telephone support for eLearning students.

Active Duty Military & Military Dependents

Same as resident fees.

Discharged Military Personnel & Dependents

Same as resident fees. (This waiver is good for 12 months after discharge.)

VETERAN'S WAIVER

A Veteran who was honorably discharged from the United States military/naval forces may be eligible for a 20% tuition waiver if the veteran meets all of the following requirements:

1. Can qualify as a WA resident at the time of enrollment per RCW 28B.15.012.
2. While serving as an active or reserve member in the U.S. military/naval forces or National Guard, the veteran served in a war or conflict fought on foreign soil, or in international waters, or in another location in support of U.S. military/naval forces that were on foreign soil or in international waters.
3. Service is recorded on the veteran's DD-214 or other official military/naval document.

Please contact the Veteran's Office to determine eligibility:

Mount Vernon Campus, 360.416.7610
Whidbey Island Campus, 360.679.5389

Additional Veteran's Benefits

Contact the Veteran's office for information and eligibility:

Mount Vernon: 360.416.7610 | Whidbey Island Campus: 360.679.5389

Unemployed or Under-Employed Residents

Unemployed or under-employed people may register for open classes on a space-available basis on or after the first day of the quarter without tuition charges. Fees attached to coursework will be charged accordingly. You are eligible if you:

- ▶ Have lived in Washington for at least 12 months.
- ▶ Are 21 years of age or more.
- ▶ Have not attended college in the past six months.
- ▶ Are not receiving or eligible for unemployment compensation.
- ▶ Have a combined monthly household income of below \$1,128 for a one-member family, \$1,428 for two, \$1,763 for three, \$2,080 for four, \$2,397 for five (call for amount for additional dependents).
- ▶ Have been or will be unemployed for six months prior to the start of the quarter.

Workforce Training & Dislocated Workers

Call 416.7649 for more information.

Add/Drop & Attendance Policies

Attendance

Students are expected to attend all classes in which they are registered, as evaluation of progress in any course is cumulative and based on class assignments, participation and examinations.

Course Drops

- ▶ Up to the 3rd day of the quarter, students may withdraw from a class via Web Registration or submit an Add/Drop form to the Registration Office.
- ▶ Failure to attend a class does not constitute a course drop. Students who do not officially withdraw will be assessed full tuition fees, and refunds will not be made. Requests for late drops will not be granted simply because the student was unaware of the policies, or failed to submit a drop form.
- ▶ Courses dropped before the 10th instructional day of the quarter will not be posted to the permanent student record.
- ▶ Courses dropped after the 10th instructional day will be annotated "W" on the permanent student record.
- ▶ Courses may be dropped any time before close of business on the Friday before the last week of the quarter. The only exception to this is complete withdrawal from all courses of enrollment.

Course Adds

Until the 3rd day of the quarter, students may add courses via Web Registration or submit an Add/Drop form to the Registration Office according to space availability. After the third day, students must submit an Add/Drop form to the Registrar's Office.

After the 3rd day of the quarter, course adds will be made only with the instructor's signature, and in consideration of the wait list, if any. A course Add/Drop form must be submitted to the Registrar's Office.

2010-2011 State Support of Higher Education Students

Pursuant to RCW 28B.76.300 and RCW 28B.15.0681, the approximate level of state support received by students is being provided to the colleges for your use. The following table indicates average state support by tuition category for students attending community and technical colleges for the academic year 2009-2010.

	Resident Undergraduate	Nonresident Undergraduate
Instructional Cost per FTE Student	\$6,603	\$6,603
Operating Fee	\$2,521	\$7,356
Net State Support per FTE Student	\$4,082	---

The following table indicates the amount of state supported financial aid including that provided from the local institutional financial aid fund (3½ percent).

	State Financial Aid	Institutional Financial Aid
Undergraduate Resident	\$747*	\$68**
Undergraduate Nonresident	\$10	N/A

* Includes State Work Study, State Need Grant, and all other financial aid programs administered by the HECB, and SBCTC administered programs: Opportunity Grants and Worker Retraining Financial Aid.

** Institutional financial aid is shown on an average student basis. Data are not available to allocate by student category. Institutional financial aid is not available to nonresidents

Note: Data source provided by the Higher Education Coordination Board is available upon request.

Questions? contact Scott Copeland at 360.704.4397 or scopeland@sbctc.edu

Refund Schedule for Canceled Classes

A full refund is given for any course canceled by Skagit Valley College.

- 100%**.....through July 11
- 50%**.....July 12 to July 18
- 0%**..... after July 18

COMPUTER TRAINING INSTITUTE

MINIMUM CLASS SIZE 5; MAXIMUM 16. For more information about CTI classes, e-mail computer.training@skagit.edu or call 360.416.7638. Registration office hours: 7:30 a.m. - 5:30 p.m. Monday through Thursday. Refunds are allowed only if the registration office is notified during office hours at least 48 hours before the class is scheduled to begin.

FOR THE BEGINNER

CTI 001 Getting Started with a PC and the Internet

This six-hour class focuses on personal computer concepts for the beginning PC user. It covers the following topics: bits, bytes, computer terminology, hardware and software, Windows operating system, basic maintenance, data backup, file management, Internet, email, safe downloads, security concepts and firewalls. No previous computer experience is necessary.

6400 CTI 001 AG 9:00AM- 4:00PM
Sa S161 KARLSON

Meets: 7/9. Cost: \$95.

CTI 002 Microsoft Windows-I Introduction

The standard PC today comes with Microsoft Windows Operating System already installed. This class will cover Windows basics, the user interface, desktop bitmaps and screensavers, Windows navigation, computer maintenance, applications, major concepts within the Control Panel, and Windows Explorer. Tuition includes class materials and flash drive.

6403 CTI 002 AG 9:00AM- 4:00PM
Sa S161 KARLSON

Meets: 7/23. Cost: \$95.

CTI 038 Working with Files in Windows

So, you saved a file from and now you can't find it? If you've ever lost a file on the computer (and almost everyone has at one point), you can benefit from this short session covering Windows File Management. Learn about file types, file name and extension standards, default file locations, files you can safely delete, files you should never mess with, and how to effectively organize your existing data. Students are encouraged (but not required) to bring personal laptop computers to class to put class concepts into practice.

6511 CTI 038 AG 1:00PM- 4:00PM
W S161 KARLSON

Meets: 7/13. Cost: \$49.

CTI 065 Introduction to Computers for Seniors

Four 2-hour sessions focus on computer basics. Learn about the parts of a computer, how to turn a computer on and off, how to use a mouse, keyboard basics, and opening and closing windows. Learn to use email and search for information on the Internet, practice writing and printing letters, saving documents and moving them from one computer to another, and even discuss what Facebook is and its pros and cons. This class will also cover protecting your personal information and privacy. Taught by Jill Eelkema, Certified Educator of Personal Finance. No previous experience with computers necessary.

6576 CTI 065 AG 3:00PM- 5:00PM
T S161 EELKEMA

Meets: 6/14 through 7/5. Cost: \$79.

MICROSOFT WORD

CTI 010 Microsoft Word-I Introduction

Learn to create, format, save, edit, and print a variety of documents such as memos and letters, numbered lists, and tables. Work with tabs and learn to copy, cut and paste. Creating flyers and working with graphics will be introduced if time permits.

6426 CTI 010 AG 9:00AM- 4:00PM
Sa S161 KARLSON

Meets: 7/30. Cost: \$95.

MICROSOFT EXCEL

CTI 020 Microsoft Excel-I Introduction

Turn your computer into something more than a 10-key adding machine! Learn to create professional-looking spreadsheets that do more than add a series of numbers. Learn about cells, columns, and rows, formatting tools, navigation, formulas, sorting, filtering, headers and footers, saving and printing your spreadsheets.

6456 CTI 020 AG 9:00AM- 4:00PM
Sa S161 KARLSON

Meets: 8/6. Cost: \$95.

CTI 058 Microsoft Excel Formulas & Functions

Do you remember elementary school arithmetic or those frustrating formulas in high school Algebra? Go beyond simple addition and subtraction and use Excel to compute more complex mathematical solutions using both formulas and prewritten functions. Understand the order of operations, arithmetic operators, and logical operators. You'll see how easy it is to use Excel functions in your worksheets. This class also introduces functions that compute and compare values. Learn to manipulate text and convert text to columns, create subtotals, and preview totals. Extensive mathematical skills are not required for this class. Prerequisites include a basic proficiency with keyboarding, mouse use, Windows, and Excel.

6566 CTI 058 AG 1:00PM- 4:00PM
W S161 KARLSON

Meets: 7/20. Cost: \$49.

CTI 059 Microsoft Excel Charts-from Exotic to Explosive

You've got all the numbers crunched and ready, but now present them in charts that POP. Learn to make visual eye candy from boring lists of figures. We'll cover the basic line, bar, column and pie charts (even some that explode), and graduate to more exotic and fun formats. Go from making a chart in one mouse click to formatting chart components to make the graphic more readable, attractive, and functional. You'll even learn how to create a chart within a single cell on a worksheet. We'll look at seldom-used chart styles like Histograms, Gantt charts, and using pictures as background elements. Prerequisites include proficiency with

the mouse and keyboard, as well as basic Windows and Excel skills.

6569 CTI 059 AG 1:00PM- 4:00PM
W S161 KARLSON

Meets: 7/27. Cost: \$49.

COMPUTERIZED

CTI 027 QuickBooks-I Introduction

This workshop covers setting up a company's basic financial information, files, chart of accounts and master lists. Topics include standard transactions such as checks, sales entries and deposits, sales tax entries and reports. Some computer experience is helpful.

6477 CTI 027 AG 9:00AM- 4:00PM
Sa S161 SOWAMATSON

Meets: 6/25. Cost: \$95.

CTI 028 QuickBooks-II Intermediate-the Basics Plus

This workshop builds on Intro to QuickBooks and covers payroll, inventory and job costing setup, transactions and reports. Covers additional transactions and reports as time permits.

6480 CTI 028 AG 9:00AM- 4:00PM
Sa S161 SOWAMATSON

Meets: 7/16. Cost: \$95.

GETTING CREATIVE

CTI 033 Photoshop I-Introduction

After taking your digital photographs, learn to import the photos to the computer, enhance their appearance and edit out mistakes. In this workshop you will use the digital darkroom in Photoshop Elements to perform basic image editing tasks: rotate, straighten and crop photos—and how to use the correct tool for each. You will repair and retouch photos using lighting, color and sharpen features. Finally, learn how to share and print photos, how resolution affects print size, and how to choose correct print setting. Tuition includes class materials and flash drive.

6496 CTI 033 AG 6:00PM- 9:00PM
T S161 AGUIRRE

Meets: 7/12 and 7/19. Cost: \$95.

CTI 034 Photoshop II-Intermediate

Build on the skills you learned in Photoshop Elements Introduction. Work with filters and layers to create stunning images and panoramas. Become adept at rearranging, moving, linking, transforming, and creating styles for layers. Add drawn shapes, hand tinting and text to your photos. Learn to archive, print and display your creations.

6499 CTI 034 AG 6:00PM- 9:00PM
T S161 AGUIRRE

Meets: 7/26 and 8/2. Cost: \$95.

CTI 060 How to Become a Professional Photographer

For the amateur photographer who would like to break into the business of professional portrait photography, this class will take you through the steps needed to improve your abilities and understanding of what makes a good portrait, what is needed after capture to set your work apart from the rest of the crowd, and technical aspects of starting and running your photography business. We will discuss and practice many things including posing, lighting, lens choices, using the camera's manual controls, using Photoshop and other imaging software, and how to price and sell your portraits. Prerequisite: a good understanding of your camera's controls.
6572 CTI 060 AG 6:00PM- 9:00PM
W S161 MULLEN
Meets: 6/22 through 7/13. Cost: \$95.

COMPUTER BASICS

CTI 055 Computer Maintenance

If you want to streamline your home computer and restore some of its speed, this class is for you. You'll use Microsoft Windows tools to improve your computer's performance. Class includes hard drive error checking and basic disk maintenance, how to recover valuable hard drive space and how to safely delete files that are no longer needed, then reorganize your hard drive to run more efficiently. Learn about some of the most popular anti-virus tools available today, how to perform efficient system backups, and how to automatically schedule and install system upgrades from Microsoft.
6561 CTI 055 AG 1:00PM- 4:00PM
W S161 KARLSON
Meets: 7/6. Cost: \$49.

MULTIMEDIA

CMIT 017 Build Your First Website w Adobe Dreamweaver I

Covers how websites work and basic features of successful websites. Become acquainted with Adobe Dreamweaver and discover how to easily and quickly create attractive web pages. Prior knowledge of HTML and CSS are not required.
6055 CMIT 017 AG 6:00PM- 9:00PM
Th S161 MURDOCK
Meets: 7/14. Cost: \$49.

CMIT 018 Build First Website w Adobe Dreamweaver II

Add features and styles to your web page created in the Website I class. Work with text and colors. Publish your page to the web!
6057 CMIT 018 AG 6:00PM- 9:00PM
Th S161 MURDOCK
Meets: 7/21. Cost: \$49.

CMIT 019 InDesign I: Eye-catching Docs

Discover the basics of InDesign as we create visually appealing documents.
6059 CMIT 019 AG 6:00PM- 9:00PM
Th S161 MURDOCK
Meets: 7/28. Cost: \$49.

CMIT 020 InDesign II: Eye-catching Docs

Learn how to make your documents stand out by learning creative tricks. Discover how to pre-flight and output your work efficiently!
6062 CMIT 020 AG 6:00PM- 9:00PM
Th S161 MURDOCK
Meets: 8/4. Cost: \$49.

COMMUNITY EDUCATION

ARTS & CRAFTS

CART 012 Mosaic Glass Art

Discover how to turn chipped and broken treasures into new and interesting art for your home or for gifts. Learn, step by step, the techniques of cutting glass as well as placement and grouting while becoming familiar with all the materials and tools required to create a beautifully finished mosaic piece. Design ideas will also be discussed. Each participant will make two projects. Material fee of \$25 paid to instructor at first class. No prior experience required.
6029 CART 012 AG 6:00PM- 8:00PM
F A139 MITCHELL
8:00AM- 5:00PM
SaSu A139 MITCHELL
Meets: 6/24, 6/25, and 6/26. Cost: \$159.

FLAGGING

CPROF 034 Flagging and Traffic Control

Each class is six hours and meets for two three hour sessions. Upon successful completion, students receive a Washington State Traffic Control Flagger card that is valid for three years. Must be 18 years of age or older to receive the flagging card.
6112 CPROF 034 AG 6:00PM- 9:00PM
TTh R015 PRINDLE
Meets: 7/12 and 7/14. Cost: \$49.
6113 CPROF 034 BG 6:00PM- 9:00PM
TTh R015 PRINDLE
Meets: 8/16 and 8/18. Cost: \$49.

HORTICULTURE

CAG 015 Landscape Design

Join SVC gardener Stephen Murphy to learn the tips of landscape design. Learn how to evaluate your site, the principles of design, plant materials, installation and care of your plants. Understanding these basics will save you costly mistakes and help you create a yard that is beautiful, functional, and survives.
6009 CAG 015 AG 9:00AM-12:00PM
Sa A135 MURPHY
Meets: 6/25. Cost: \$79.

LANGUAGE & CULTURE

CSPAN 011 Conversational Spanish I

Learn the Spanish sound system, basic vocabulary and simple Spanish grammatical structures as you develop an ability to understand and respond to simple spoken Spanish. Spanish is Fun (Book 1) and workbook required and available at SVC bookstore.
6123 CSPAN 011 AG 6:00PM- 8:00PM
TTh A225 GUILLEN

Meets: 7/7 through 7/26. Cost: \$95.

WELDING

CWT 011 Welding Adventure

If you would like an introduction to the craft of welding for hobby or ornamental purposes, or if you're experienced welder who wants to upgrade skills or practice for welder certification, this class has something for you. Instruction is available in a variety of processes including stick, wire, gas, and tig. Bring your welding gear (hood, gloves, slag hammer, wire brush, pliers, striker, burning goggles, 10" (or larger) adjustable wrench, etc.) and join us for these hands-on welding sessions. Must wear appropriate sturdy cotton clothing, safety glasses, and high top leather shoes.
6138 CWT 011 AG 8:00AM- 4:30PM
MTWTh R034 BAKER
Meets: 6/13 through 6/30. Cost: \$960.
6139 CWT 011 BG 8:00AM- 4:30PM
MTWTh R034 BAKER
Meets: 7/11 through 7/28. Cost: \$960.

WORKPLACE MANAGEMENT

CPROF 015 Managing Conflict Effectively in the Workplace

Got conflict? Everybody does; it's inevitable. Do you know how to manage conflict to achieve better collaboration, innovation, productivity, profitability? This workshop focuses on behavioral approaches, backed up by brain science, to give folks confidence and success when handling differences. And, it doesn't matter where the conflict occurs: with co-workers, customers, supervisors, or direct reports.
6100 CPROF 015 AG 6:00PM- 8:00PM
T A125 COLLETTE
Meets: 6/21 and 6/28. Cost: \$69.

CPROF 016 Coaching Skills Breakthroughs and Performance

Learn coaching fundamentals and principles to start different kinds of workplace conversations. Coaching is rapidly becoming the new supervisory language that promotes collaboration and productivity. We share an easy-to-use tool that enables people to navigate a coaching session and get positive results. This tool can be used in a wide variety of settings from disciplinary issues to inspirational ideas.
6103 CPROF 016 AG 6:00PM- 8:00PM
T A125 COLLETTE
Meets: 7/12 and 7/19. Cost: \$69.

CPROF 017 Managing Meeting Madness

Feel like you're going to waste time when you hear the word, "meeting?" Somewhere around 50% of time in meetings is wasted in this nation. The results are frustration, slow or no movement forward on projects, cynicism, and more. What if you could design a framework that allowed people to get things done quickly and effectively and have fun at the same time? Come to this class and design a Meeting Management Model customized to your operation. Promise: your time won't be wasted.
6105 CPROF 017 AG 6:00PM- 8:00PM
T A125 COLLETTE
Meets: 7/26 and 8/2. Cost: \$69.

eLearning at SVC

SVC offers students a variety of eLearning resources on campus and off. Here are some ways education can come to you:

Online Courses: Coursework is done completely online. Students can access materials anywhere they can access the internet. Instructors are available by phone and e-mail to assist students. Online courses are a great option for students to take courses without having to come to campus. The courses follow the same schedule as campus classes and study times are flexible around personal schedules.

What supports are available for eLearning? SVC students are able to obtain a university transfer degree as well as several certificates online. Services include virtual library resources; financial aid; online advising and registration; and an online bookstore. Lots of personal tools are available as well as free

email, schedule, transcript, and quarterly grade access.

What skills and equipment do I need to succeed? You don't have to be a computer wizard to have the technical skills necessary to be a successful online learner, but you do need:

1. To be able to navigate the Internet, using a browser.
2. Basic computer skills, including: typing, using a mouse, saving, editing and opening a document, and ability to cut/paste and copy text.
3. To use email and attach a file to your email message.
4. A computer with internet access and a reliable internet service provider.

*SVC provides every student with an email account. This account is the primary tool for official college communications.

How do I access online hybrid and eLearning supported classes? Blackboard course management system is used for online and hybrid classes. Many campus classes use Blackboard to enhance campus learning.

eTools and Services
.....

Account management tools

Visit www.skagit.edu to learn more!

To Access Blackboard

1. **Access the Web site:**
<http://skagit.blackboard.com>
2. **Enter your Username:** This will be the first initial of your first name, your full last name, followed by the last 4 digits of your student identification number (SID). (For example, jsmith2345)
3. **Enter your password:** This is created from a combination of your birthday, your first, and last name (case sensitive).

For Example:

Birthday: 01/01/1980

Name: John Smith

The password would be: 010180JoSm

Please note that the J & S are capitalized in the above example! Your first and last name initials would need to be capitalized as well.

This will take you to the Blackboard Welcome page. Blackboard accounts will be active one week prior to the start of each quarter.

NOTE: Courses may not appear under "My Courses" until the first day of each quarter.

ORIENTATION

FOR NEW eLEARNING STUDENTS

XXXXXXXXXX

NORWOOD COLE LIBRARY, ROOM S-161.

You are encouraged to participate in a free orientation. You will learn how to log into blackboard, what a typical distance education course is like, and answer most frequently asked questions.

Bring your student ID!

How do I access my free college email account?

1. **Getting Started:** Once you are redirected to the MySVC Start Page, you will need to click on Sign In and follow the username/password example below to access your personal MySVC start page. Once you are signed in you can access email, document collaboration, calendars and MORE!
2. **Your MySVC Username** is combination of your first name initial, full last name, and the last four digits of your Student ID# (all lowercase).
For Example:
John Smith
SID # 740020987
Your username is: jsmith0987
Your email address would be: jsmith0987@mysvc.skagit.edu
3. **Your Default MySVC Password** is created from a combination of your birthday, your first, and last name (case sensitive).

For Example:

Birthday: 01/01/1980

Name: John Smith

The password would be: 010180JoSm

Please note that the J & S are capitalized in the above example! Your first and last name initials would need to be capitalized as well.

FAQ's

How do I order textbooks?

Visit the SVC Cardinal Bookstore, or call 360.416.7728, or order textbooks online at:
www.cardinalbookstore.com

How do I get Financial Aid verification?

Visit the eLearning office for a signature. Forms cannot be signed until the first day of the quarter. If you cannot visit the DE office, fax the completed form to 360.416.7893.

How do I get help with technical problems in my online class?

Contact the DE office at 360.416.7770
Main Campus S-127 8:00AM to 5:00PM

How do I get help about assignments, course content or other course-related questions?

Contact your course instructor. Your instructor's email address is available in your online classroom.

How do I get information about wait lists, withdraw procedures and other registration information?

Contact the Registration office at 360.416.7700.

ACADEMIC ENGLISH AS A SECOND LANGUAGE (AESL) - See World Languages

ADULT BASIC EDUCATION

ABE Adult Basic Education

Reading, writing, spelling or math improvement for non-high school graduates or for students working toward high school proficiency

ABE/GED STUDENT ORIENTATION

This is a new requirement for all ABE/GED students. Registration and attendance of the Orientation is required for all new and returning students before placement in class. Students must attend each day of the orientation. If you have questions, call (360) 419-7910 to talk with Kathy Shannon. Students 16-18 years old will need approval from their school district before registering.

ABE/GED ORIENTATION SCHEDULE

ABE ORIENTATION: AFTERNOON

4371 ABE 011 AG1 (1-2) 1:00PM- 4:50PM TWTh L013 STAFF
Meets: 7/5, 7/6 and 7/7.

ABE ORIENTATION: EVENING

4341 ABE 011 BG (1-2) 7:00PM- 9:20PM TWTh L013 STAFF
Meets: 7/5, 7/6 and 7/7.

Once orientation is completed, classes will meet:

1:00PM-4:00PM	MW	L013	STAFF
1:00PM-4:50PM	TTh	L013	STAFF
7:00PM-9:20PM	WTh	L013	STAFF

ONLINE - GED TEST PREP

Online course. Use of a computer with Internet access is required. Students are required to attend two on-campus class sessions: Orientation on Tuesday, July 5 from 4:00 p.m. to 7:00 p.m. and a post test assessment class on Tuesday, August 23 from 7:00 p.m. - 9:20 p.m. in Lewis Hall, Room L013. Students must

take a pre-test at entry, and a post-test at exit. Tutoring is available with the instructor by appointment.

ENGLISH AS A SECOND LANGUAGE

For more information about Academic English as a Second Language (AESL) - See World Languages.

English as a Second Language (ESL) classes help adult immigrants improve their English language reading, writing, and speaking skills so they can be more successful workers and community members.

REGISTRATION FOR NEW AND RETURNING ENGLISH AS SECOND LANGUAGE (ESL) STUDENTS.

New and returning ESL students must register before attending orientation or classes. ESL registration is available Monday, Tuesday, Wednesday, and Thursday evenings from 5:30 p.m. to 8:00 p.m. at the Information Desk in the Cardinal Student Center. To be certain of getting into class it is best to register prior to class: June 20 to 23 and June 27 to 30. Summer classes begin Tuesday, July 5. (Campus is closed on July 4.)

Please call 360.416.7654, press 8 for Spanish, for more information.

English as a Second Language

NEW ESL STUDENT ORIENTATION

FAMILY LIFE

For more information about Family Life courses, call Barbara A. Smith at 360.416.6734 or email barbara.smith@skagit.edu.

The family Life program, operated in conjunction with parent cooperative preschools, provides parents with an opportunity to work with and observe their children in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children, and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. Parent Cooperative Preschools are located in the following areas: Anacortes, Sedro-Woolley, La Conner, Lopez Island, and Mount Vernon.

INTERNATIONAL STUDIES

IS 202 Cultural Interactions in an Interdependent World

DAY

1046 IS 202 A (5) ARR MALONEY

Instructor permission required. This course is limited to students who will be participants in the 2011 SVC summer trip to China. An additional fee is required for that trip. Contact Ted Maloney at 360.416.7774 for details and approval.

LEARNING COMMUNITIES

Learning Communities are two or more courses joined by a single theme and taught through lectures, group activities and seminars. Student groups learn by sharing questions and ideas, working on projects and developing study groups. Students seeking the AAUCT or AS degree must complete three integrative experiences. At least two of these must be learning communities. The Learning Communities available for Summer Quarter are:

Why Is the Sky Blue? Writing About Physics

Learn why the sky is blue and why planes fly-and then develop the skills to articulate this clearly through writing. This course combines conceptual physics and English composition in a Learning Community designed to knock your socks off. Hybrid course with four hours of online work per week through Moodle.

DAY

2430 ENGL& 101C C1A (5) 8:30AM-10:20AM MTWTh A239 GRAHAM
2431 PHYS& 100C C1A (5) 8:30AM-10:20AM MTWTh A239 ZUKOSKI

Hybrid course: Meets online four hours per week.

OR

2432 ENGL 103C C1B (5) 8:30AM-10:20AM MTWTh A239 GRAHAM
2433 PHYS& 100C C1B (5) 8:30AM-10:20AM MTWTh A239 ZUKOSKI

Hybrid course: Meets online four hours per week.

Talking Together (D)

This learning community combines Interpersonal Communication (CMST& 210) and Reading (AESL 103) to examine how conversational style, language and culture affect communication in relationships.

DAY

2437 AESL 103C C2A (5) 8:00AM- 9:45AM MTWTh A135 CLONINGER
2438 CMST& 210C C2A (5) 10:00AM-11:45AM MTWTh A135 SATHER S

Permission required from Christa Schulz. Call 360.416.7974.

Summer Solutions: English 097 Online

Master online learning and English skills by combining College Success Skills and English 97. All work is online, using Blackboard to complete your English assignments! You'll finish this Learning Community prepared to walk through the college doors with confidence, already in possession of the tools you need to succeed.

ONLINE

3082 CSS 104C D1A (2) ARR SANDBERG
3288 ENGL 097C D1A (5) ARR BLUE

English 104 Distance Education

This learning community explores the nature of research and writing as it is practiced in specific disciplines. Students must co-enroll in one of the designated course combinations below. Prerequisite: Grade of 2.0 or better in ENGL& 101.

ONLINE

3635 SOSOC 100C D3A (5) ARR SCAMMELL

LEARNING INTO ACTION

Helping students apply skills outside of the classroom.

Have you completed your LIA Project? If you have 45 transferable credits you are eligible to begin your Learning Into Action (LIA) Project. LIA is a requisite component of the AAUCT degree. LIA allows students to design projects outside the classroom, which demonstrate skills and knowledge acquired in college course work.

What kind of projects are acceptable? All LIA projects must let you demonstrate your acquired knowledge and skills. Some of the suggested options include: Cooperative Education, original research, study abroad, community service, campus related activities, developing exhibits, lab work, or clinical experience.

How do I sign up for this credit? Complete an online LIA orientation (LIA link is www.skagit.edu). Obtain a faculty sponsor with expertise in the project subject area, and work with that person to formalize your learning contract. Take your Learning Contract with Learning Objectives to Counseling and Career Center for a signature and for registration numbers/codes. For more information or to make an appointment, contact Counseling Department at 360.416.7654.

MANUFACTURING TECHNOLOGY

for more information about Manufacturing, call Laura Cailloux at 360.416.7729.

MANF 110 Introduction to Manufacturing

DAY

1091 MANF 110 A (3) 11:30AM- 1:50PM TW L066 STAFF

I-BEST *Summer 2011*

- ✓ **Automotive Technology**
- ✓ **Manufacturing Technology**
- ✓ **Nursing**

Students can earn a short term certificate for each of these programs. Certificate credits apply to specific ATA degrees.

I-BEST classes integrate college credit courses with English language and adult basic skills. I-BEST classes include five hours a week of non-credit Adult Basic Education (ABE) and English as a Second Language (ESL) instruction.

REQUIRED: Attend a mandatory two-day I-BEST Orientation session on June 29 & 30 from 5:30 p.m. to 8:30 p.m. in room N-123. RSVP by calling 360.416.7948.

WHO ARE I-BEST PROGRAMS FOR?

GED and ESL Students who want to job start their careers by earning a short-term certificate.

- ▶ Highly motivated students who are committed to achieving career and educational goals.
- ▶ Students who read English as a Second Language at Level 5 Reading or higher.
- ▶ Students working on the GED.
- ▶ Students testing below college level English/Reading or Math on the COMPASS.

WHAT IS THE APPLICATION PROCESS?

1. Attend an Information Session at 11:30 a.m. the 1st and 3rd Wednesday of each month at Skagit WorkSource.
2. Complete an I-BEST application.
3. Return completed applications to Maria Galindo, Nelson Hall, room N-122.
4. Attend mandatory Orientation and Testing session at SVC in room L-11 on June 29 & 30. (See below for time).

QUESTIONS?

Contact Maria Galindo: 360.416.7948 | maria.galindo@skagit.edu

PERMISSION REQUIRED for all classes listed below.

FAMILY LIFE - PARENT EDUCATION COOPERATIVES (CO-OP)

The Family Life Program, operated in conjunction with parent cooperative preschools, provides parents an opportunity to work with and observe their child in an educational setting. Parents have an opportunity to observe child behavior, to practice skills and techniques useful in working with small groups of children and to practice guidance techniques useful in dealing with child behavior. The program offers parents a support service as they bring up their children in a changing society. To register, contact coordinators in the following areas:

Coupeville	Preschool	360.678.2232 (answering machine) Janet Heverling 360.679.5347
South Whidbey	Voice mail Janet Heverling	360.221.5080 360.321.0696 ext 5347

Year Round Programs

Toddler Learning Center: An early intervention program, serving families with developmentally delayed infants, birth to 36 months. If you believe your

child would qualify for this program, call René Denman at 360.679.1039 or your local school district.

Early Head Start: A home visiting based program for pregnant mothers and families with infants and toddlers. At home learning is supported through on-going activity groups. The program serves low-income parents. For eligibility information and application call 360-279-5052 or 360-416-7590.

Comprehensive Preschool Programs

Early Childhood Education and Assistance Program (ECEAP): This free program is for income eligible children who are 3 or 4-years-old by August 31. Classrooms are in Oak Harbor, Coupeville, and Langley. For information and application contact the ECEAP Office at (360)675-6656 ext.5348 and from South Whidbey 360.321.0696 ext.5348.

Head Start: This center-based preschool program is for children who are ages 3 to 5 by August 31 and are from low-income families. The program has two centers located in Oak Harbor. For eligibility information and application call 360-279-5052 or 360-416-7590.

LEARNING COMMUNITIES

Composition

These Learning Communities pair a composition class with another discipline to reinforce learning and meets a Learning Community requirement for all Associate degrees. Students seeking AAUCT, ABT, or AS degrees may use Linked Learning Communities to meet part of the Integrated Studies requirements. For more information, see Student Services or talk with a member of the English Department. English 101 prerequisite: Appropriate COMPASS score or a grade of "C" or higher in ENGL 99. English 104 prerequisite: Grade of 2.0 or higher in English 101.

Summer Solutions

Master online learning and English skills by combining College Success Skills and English 97. All work is online, using Blackboard to complete your English assignments! You'll finish this Learning Community prepared to walk through the college doors with confidence, already in possession of the tools you need to succeed.

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Room C005. Refer to listings under new department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit <http://www.skagit.edu/wic-math> for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at <http://info.coursecompass.com/website/support.html>. If you have any questions, please contact the department chair, Jeff Stady, at [jeff.stady@skagit.edu](mailto:stady@skagit.edu) or 360.679.5309.

MATHEMATICS CENTER

Courses in basic mathematics, pre-algebra, elementary and intermediate algebra, and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math

course. Some work may be done at home; however, all testing must be done in the Math Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-5 hours per week in the Center testing. For more information contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. COMPASS test required. See Student Services, Room B100, 360.679.5319.

LEARNING COMMUNITIES

Composition

These Learning Communities pair a composition class with another discipline to reinforce learning and meets a Learning Community requirement for all Associate degrees. Students seeking AAUCT, ABT, or AS degrees may use Linked Learning Communities to meet part of the Integrated Studies requirements. For more information, see an advisor.

Summer Solutions

Master online learning and English skills by combining College Success Skills and English 97. All work is online, using Blackboard to complete your English assignments! You'll finish this Learning Community prepared to walk through the college doors with confidence, already in possession of the tools you need to succeed.

Montgomery Mount Vernon, WA 98273 360.416.7872

All Skagit Valley College publications and documents are available in alternate formats upon request by calling Disability Support Services, 360.416.7818.

MARINE TECHNOLOGY IN ANACORTES

Skagit Valley College Marine Maintenance Technology students started classes this fall in the beautiful new Northwest Career and Technical Academy's Marine Technology Center in Anacortes. The Marine Maintenance program had been housed for many years in Oak Harbor at the college's Whidbey Island Campus.

Skagit Valley College Marine Maintenance Technology program is a member of the Marine League of Schools and is one of only five schools in the United States to offer the top-rated American Boat and Yacht Council (ABYC) certified training. Currently, there are eight ABYC certifications offered at Skagit Valley College:

- Composite boat builder certification
- Diesel engine & support systems certification
- Gasoline engine & support systems certification
- Electrical certification
- Marine corrosion certification
- Refrigeration and A/C certification
- Marine systems certification
- ABYC standards certification

ENVIRONMENTAL CONSERVATION AND BIOLOGY CLASSES IN NEW GREEN HOUSE

The new state of the art greenhouse provides over 1800 square feet of space divided into three sections with different growing environments: desert, tropical, and temperate. Biology and Environmental Conservation program students will benefit from the resources available because of the new greenhouse. From prairie plants like Garry oak, camas, and lilies to wetland plants and estuarine herbs, the ENVC program can use the greenhouse for propagation of native vegetation used for ecological restoration projects. The greenhouse will also be of value for students working on senior projects.
