Dear Recruits.

You are invited to visit our campus and top notch facilities during these upcoming months. Here is a great opportunity to not only to get to see the campus but also train with the team and get to know some the returning players. If you are interested, please contact Head Coach Tao Shen for a meeting and discuss playing opportunities with the team in the fall. We are looking for 7-8 key players plus 2 goalkeepers to supplement our 8 returners from last year.

Skagit Valley College was voted one of the best community colleges in the nation back in 2003. I am certain that you will have a great educational and soccer experience here at SVC.
