The Annual Schedule is a planning guide. Changes may occur, so please refer to our online schedule, www.skagit.edu/sched_search.asp, for an up-to-date listing of courses.

Every effort has been made to assure the accuracy of the information contained in this publication. Students are advised, however, that such information is subject to change without notice, and advisors should, therefore, be consulted on a regular basis for current information.

Skagit Valley College catalogs, class schedules, web site, fee schedules, etc., do not create binding contracts between Skagit Valley College and its students. The college and its divisions reserve the right at any time to make changes in any regulations or requirements governing instruction and graduation from the college and its various divisions. Changes shall take effect whenever the proper authorities determine and shall apply not only to prospective students but also to those who are currently enrolled at the college. Except as other conditions dictate, the college will make every reasonable effort to ensure that students currently enrolled in programs, and making normal progress toward completion of any requirements, will have the opportunity to complete any program which is to be discontinued. The college's total liability for student claims related to classes or programs shall be limited to the tuition and expenses paid by the student to the college for those classes. In no event shall the college be liable for any special, indirect, incidental or consequential damages, including but not limited to, loss of earnings or profits.

LEARNING COMMUNITIES

Composition
These Learning Communities pair a composition class with another discipline to reinforce learning and meets a Learning Community requirement for all Associate degrees. Students seeking AAUCT, ABT, or AS degrees may use Linked Learning Communities to meet part of the Integrated Studies requirements. For more information, see Student Services or talk with a member of the English Department. English 101 prerequisite: Appropriate COMPASS score or a grade of “C” or higher in ENGL 99. English 104 prerequisite: Grade of 2.0 or higher in ENGL 101.

English 101: Writing with Psychology
Students practice their writing skills within the context of a general psychology class. All students in ENGL 101C WL2 must also be in PSYC& 100P WL2. Optionally, Psychology students can link with ENGL 104C WL6 in the ENGL 104 Learning Community listed below.

LEARNING INTO ACTION

Student develops and completes curriculum-related independent project that demonstrates skills and abilities and explores career options. May include, but is not limited to, service learning, original research, and travel abroad. Faculty sponsor approval required. Students with 45 transferable college credits are eligible to begin Learning into Action. REQUIRED: Visit the Whidbey LIA Webpage. www.skagit.edu/wic-lia. Students will be given a registration code only after demonstrating understanding of the process. LIA Coordinator, robin.bridges@skagit.edu 360.679.5319.

MARINE MAINTENANCE

Starting in Fall 2010, Marine Maintenance classes will be held at the Anacortes Skills Center. Check with a SVC counselor/advisor for an up-to-date listing of Marine Maintenance classes.

MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Room C005. Refer to listings under new department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit http://www.skagit.edu/wic-math for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor’s name for information specific to their courses. System requirements can be found at http://info.coursescan.com/website/support.html. If you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5309.

MATH 100 Professional Technical Applied Math
Courses in basic mathematics, pre-algebra, elementary and intermediate algebra, and Professional Technical Applied Math can be taken in the SVC Mathematics Center by independent, disciplined, self-motivated, goal-oriented individuals in a self-paced format. Videos and/or computer-based tutorials for most of these courses are provided along with one-to-one contact with an instructor. Students need to plan for a minimum of 15 hours per week for their math course. Some work may be done at home; however, all testing must be done in the Math Center. Along with the five hours of scheduled time, students should expect to spend an additional 2-(5) hours per week in the Center testing. For more information contact Kathy Larson at 360.679.5357 or kathy.larson@skagit.edu. COMPASS test required. See Student Services, Room B100, 360.679.5319.

### LEARNING INTO ACTION

Student develops and completes curriculum-related independent project that demonstrates skills and abilities and explores career options. May include, but is not limited to, service learning, original research, and travel abroad. Faculty sponsor approval required. Students with 45 transferable college credits are eligible to begin Learning into Action. REQUIRED: Visit the Whidbey LIA Webpage. [www.skagit.edu/wic-lia](http://www.skagit.edu/wic-lia). Students will be given a registration code only after demonstrating understanding of the process. LIA Coordinator, robin.bridges@skagit.edu. Students with 45 transferable college credits are eligible for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore. However, if you purchase your book used or through a vendor other than the Cardinal Bookstore, you will need to buy the required access code. Visit [http://www.skagit.edu/wic-math](http://www.skagit.edu/wic-math) for more information regarding textbooks, calculators, access codes and other supplies. Click on your instructor's name for information specific to their courses. System requirements can be found at [http://info.coursescompass.com/website/support.html](http://info.coursescompass.com/website/support.html). If you have any questions, please contact the department chair, Jeff Stady, at jeff.stady@skagit.edu or 360.679.5319.

### MARINE MAINTENANCE

Starting in Fall 2010, Marine Maintenance classes will be held at the Anacortes Skills Center. Check with a SVC counselor/advisor for an up-to-date listing of Marine Maintenance classes.

### MATHEMATICS

COMPASS test required. See Student Services, Room B100, 360.679.5319. A self-paced learning format is available in the Mathematics Center located in Room C005. Refer to listings under new department heading of MATHEMATICS CENTER for registration information. Please note that all distance education and most non-distance education courses require an access code to access the course website. These access codes are provided at no additional cost with new books purchased through the Cardinal Bookstore.
