

Request for Tuition Assistance

The policy of Leadership Skagit is to provide partial tuition assistance to those candidates who are accepted into the program and demonstrate financial hardship that will prevent participation. Our goal is to make it possible for anyone selected to be able to participate in the program. If granted, assistance will cover a portion of the tuition costs, most likely no more than 50% and rarely, if ever, the entire amount. Payment plans are also available.

If you would like to be considered for tuition assistance, please complete this form and submit it with your application. Your request will have no bearing on your acceptance into the program. You may be asked to provide a more thorough overview of your financial situation.
