Skagit Valley College to Offer Free Campus Visitation Day at the Mount Vernon Campus

Prospective students who are interested in visiting Skagit Valley College will have an opportunity to get an insider's view of the Mount Vernon Campus by attending a free Campus Visitation Day on Thursday, April 2 from 10:00 to 11:45 a.m. This session will provide students with an opportunity to experience the campus first-hand and to learn more about degree and program opportunities. The campus tour will include a visit to classrooms, campus housing, visual arts, and athletics, as well as stops at the college radio station, career center, and the Phillip Tarro Theatre. In addition, information will be available on financial aid, career options, and how to get started.

Spring Quarter classes and workshops will begin Tuesday, March 31 at all SVC locations. It is still not too late to enroll. In addition, students who are looking ahead to Summer and Fall Quarters are encouraged to attend the Campus Visitation Day. For more information about the Campus Visitation Day or enrollment opportunities for Spring Quarter, contact SVC Admissions, (360) 416-7697 or admissions@skagit.edu.
