Artwork of Head Start/SPARC Preschoolers to be Unveiled on April 15

The public is invited to join Skagit/Islands Head Start as they celebrate the unveiling of an original mixed media on acrylic painting entitled, "A Year in the Valley," on Wednesday, April 15 at 6:00 p.m. The presentation and an artist reception will take place in the Multipurpose Room at SVC's Mount Vernon Campus.

The painting was planned, developed, and created by 38 three- to five-year-old children who attend the Skagit/Islands Head Start Pacific Place/SPARC inclusion preschool. The four-month long project was completed under the guidance of local watercolor artist and SPARC teaching assistant B. Diane Cannon. Ms. Cannon will give a brief presentation highlighting the strategies and processes the children used to create their work.
