Have fun and stay safe:

1. Always be aware of your surroundings, and look up from your phone frequently.
2. Do not play the game at night and stay out of poorly lit areas. Remember, college grounds are typically closed at 10:00 PM.
3. Try to stay in public areas where other people are around.
4. Stay clear of alleyways, trails, landscaping features and other secluded areas.
5. Make sure that someone else knows that you are playing, and what area you will be playing in.
6. Do not play the game while driving a motor vehicle.

Welcome to Campus! We hope you enjoy it!
