POLICY TYPE: ENDS E-1

POLICY TITLE: MISSION, VISION, AND VALUES

Mission

To meet the diverse, lifelong educational needs of our community and develop the potential of our students.

Vision

Skagit Valley College is a primary resource for learning opportunities in our community, providing a path to the future and a place where people can enrich their lives today.

Values

• Quality & Excellence: Education at the highest standards in a stimulating environment;
• Human Dignity: Optimizing human potential and individual self-worth with tolerance, respect, and honesty;
• Students: Learner-centered education and a commitment to remain flexible and accessible to all;
• Learning: Education for its own sake, in an environment of academic freedom and scholarship;
• Healthy Institutional Climate: A cooperative and collaborative atmosphere of courage, vision, and innovation;
• Role in the Community: Service the broad community and leadership within the community it serves.
