Associate in Arts
University and College Transfer

This planning sheet is written for students interested in transferring to a Washington four-year college or university. The information is provided as a general guide. Questions regarding specific requirements for academic majors should be directed to the college or university itself or to the counseling center at Skagit Valley College.

It is advisable to complete an Associates in Arts, University and College Transfer degree before transferring to a specific college. This will enable you to meet general university requirements. If you are considering transferring out-of-state, you should consult an adviser in the counseling center at Skagit Valley College. The AAUCT degree requires 90 credits of 100-level classes or above. Please choose courses that meet academic major prerequisites and SKAGIT VALLEY COLLEGE requirements.

### BASIC SKILLS DISTRIBUTION (16-20 CREDITS)

<table>

<table>
<thead>
<tr>
<th>C. INTERDISCIPLINARY COURSES</th>
</tr>
</thead>
</table>

Interdisciplinary courses are unique to Skagit Valley College and enhance a student's learning experience. They include courses taught as Learning Communities and college-level English composition courses taught in a linked format. Requirements include:

1. One English writing link from either English 101 or 103/104
2. One option "A" Learning Community (A course from the Distribution list of Natural World, Culture or Arts, integrated with another course from a different Distribution list category).
3. One additional English link or Learning Community (option "A" or "B")

### DISTRIBUTION REQUIREMENTS (45 CREDITS MINIMUM)

Select a minimum of 45 credits from the three areas of study in the Natural World, Culture and the Arts.
