Approved academic majors for certification:

Anthropology  
Art  
Geology (Earth Science)  
Social Studies  
Sociology  
Special Education  
Student/Faculty Designed Major

General preparation in Elementary Education should include completion of the AAUCT, which automatically satisfies general education requirements. Entry requirements include: a minimum GPA of 2.75 in the last 45 credits, though most students admitted have a GPA above 3.0. Cross-cultural and related experience is helpful in the application process. Meeting minimum requirements does not guarantee admission. For information on admission into WWU, call (360) 650-3440. The State of Washington has established new testing requirements for teacher education. The Washington Educator Skills test-Basic (WEST-B) will be required of all applicants for admission. The test is offered only six times per year. Students will need to plan ahead for test scores to be available by the admission dates each quarter. Test times and sites are available at [www.west.nesinc.com](http://www.west.nesinc.com) The test cost is approximately $80.
