Skagit Valley College Achieving the Dream:

Integration with Core Themes/Objectives and Student Achievement/ATD Goals

Core Theme Objectives that directly support Student Achievement/Achieving the Dream goals:

Core Theme I: Learning

I.2   Quality, equitable student learning outcomes at both the general education and program level

Core Theme II: Community

II. 1.   Relationships and connections that create engagement and success in our learning environments

Core Theme III: Achievement

III.1.   Curricula and support services that are aligned to produce maximum institutional coherence

III.2   Student progression and completions

III.3   Student success in transitioning to four-year programs/institutions and/or to the workforce
