Unless obtained from the office of the Credentials Evaluator this is an unofficial evaluation of your credits intended for advising purposes only. Students are responsible for completing all the requirements of their degree as listed below. At least 25 of the 90 credits must be earned at SVC with a minimum GPA of 2.0. Students should check specific admission requirements and application deadlines to assist in successful transfer to a four-year institution. College counselors and academic faculty can advise you of special lower division requirements. This degree is intended to prepare students for licensure as an RN as well as entry into a BSN program at a university.
