[Computer Programmers](#)

[Computer & Information Systems Managers](#)

[Network & Computer Systems Administrators](#)

## Transfer

---

If you are considering a major in Computer Science and transferring to the following universities: Gonzaga, Heritage, Pacific Lutheran, Seattle Pacific, Seattle, Whitworth, Western Governors, Central Washington, Eastern Washington, Evergreen State College, University of Washington, Washington State or Western Washington our Transfer Program Planning Guide is designed to provide you with recommended courses to complete your [Computer Science Direct Transfer/MRP](#) degree. The Computer Science Major Related Program (MRP) helps prepare you to transfer by requiring specific courses in the first two years that can reduce the time it takes to complete the bachelor's degree in Computer Science. Of course, educational plans may vary, based on which quarter you begin, how many credits are taken, placement into Math and English, and your preferred transfer institution. To keep you on the best pathway, we encourage you to consult with an Academic Advisor for scheduling options.

## Degree Map

---

Degree Maps are an integral part of our Planning Guide. Each Degree Map includes a suggested quarterly sequence of courses so you could earn your degree within two years of full-time study. Your Degree Map is also designed to help you create an individualized, customized Educational Plan, which is required of all SVC students. To start creating your Educational Plan, please consult with an Academic Advisor.
