

Fire Service Administration Planning Guide 2019-2020

Program Overview

The Fire Service Administration (FSA) degree provides the academic foundation for advancement in fire service organizations. The degree is well suited for firefighters and line officers who seek to possess a strong academic foundation in their current position and/or promotional advancement opportunity into supervisory or administrative positions.

The FSA degree is intended to prepare students to transfer to four-year colleges/universities with junior standing and with the prerequisites for their emergency service major completed.

Sample Career Options Include:

[Municipal Fire Fighting & Prevention Supervisors](#)

[Forest Fire Fighting & Prevention Supervisors](#)

[Fire Inspectors](#)

[Fire Investigators](#)

Workforce

If you are interested in working in the field of Fire Service Administration, our Workforce Planning Guide is designed to provide you with recommended courses to complete your [Fire Service Administration, AAS-T](#) degree. Of course, educational plans may vary, based on which quarter you begin, how many credits are taken, and placement into Math and English. To keep you on the best pathway, we encourage you to consult with an Academic Advisor for scheduling options.

Degree Map

Degree Maps are an integral part of our Planning Guide. Each Degree Map includes a suggested quarterly sequence of courses so you could earn your degree within two years of full-time study. Your Degree Map is also designed to help you create an individualized, customized Educational Plan, which is required of all SVC students. To start creating your Educational Plan, please consult with an Academic Advisor.
