

Human Services Generalist Planning Guide 2019-2020

Program Overview

The Human Services program prepares students for employment in a broad range of social service agencies. Typical job titles include substance use disorder treatment professionals, residential treatment workers, case managers, out-reach and community workers.

The Human Services program includes classroom training in interpersonal communications, counseling, ethics, case management, substance abuse treatment and crisis intervention. An agency-based practicum experience is also required.

Sample Career Options Include:

[Social and Human Services Assistants](#)

[Psychiatric Aides](#)

Workforce

If you are interested in working in the field of Human Services, our Workforce Planning Guide is designed to provide you with recommended courses to complete your [Human Services Generalist, AAS](#) degree. Of course, educational plans may vary, based on which quarter you begin, how many credits are taken, and placement into Math and English. To keep you on the best pathway, we encourage you to consult with an Academic Advisor for scheduling options.

Degree Map

Degree Maps are an integral part of our Planning Guide. Each Degree Map includes a suggested quarterly sequence of courses so you could earn your degree within two years of full-time study. Your Degree Map is also designed to help you create an individualized, customized Educational Plan, which is required of all SVC students. To start creating your Educational Plan, please consult with an Academic Advisor.
