

Navigating the NEW Incident Reporting Webpage

In an effort to provide more ease and accuracy in reporting incidents, a team of leads for each area developed content for a webpage. Leads of each area: (Sandy Jordan for CARE, Brian Murphy and Leah Eberle for Conduct, Sandy Jordan and Carolyn Tucker for Title IX, Scott Snider for Security & Safety, Yadira Rosales for BIAS, Griffin Uchida for Campus Housing (CVV) + Jim Jolly and Claire Peinado (Subject Matter Experts). The team also worked closely with several departments across the college.

This web page will provide a one-stop shop for your reporting needs and will help the college collect data to inform staffing, resource, training, and programming needs.

Below, you will find instructions and key highlights in navigating the new site.

Go to www.skagit.edu and scroll to the bottom of the page.

Under the “NEED TO KNOW”, click on “Submit Campus Incident Report”

If this is an emergency, please call 9-1-1 For an immediate response to other situations, call SVC Security 360-416-7777 (MVC) or 360-679-5383 (WIC). Fill out a reporting form after any immediate action taken.

At SVC, we take care of each other. We keep each other healthy, protected, and free from self-harm. Are you worried about a student? Did you see something questionable? Are you experiencing discrimination? Please tell someone! Creating and sustaining a safe inclusive environment requires everyone's help and commitment. SVC uses the Incident Report Forms to receive, track, and record violations of college and campus rules, policies, and procedures. Be our eyes and ears—keep the whole campus safe by reporting things that make you uncomfortable or suspicious.

Click on these to navigate between reports.

When reporting, if it is an emergency, please call 911 first. Then follow-up with a call to SVC security and THEN file the appropriate report.

Each report area has important information to help you narrow down which report to submit. Each of these information areas highlighted below has a description located at the bottom of the graphic.

Each report area is titled, has a question and bulleted information to help you in determining if it is the appropriate report for the incident you need to submit.

If you click on “Get more info>>”, you will be redirected to the landing page for that report area. There you will find more information in determining if it is the right report. You will also find contact information for each report area lead as well as resources and process flows.

Clicking the red “Submit a _____ report” button will take you to the actual incident report for that area. We will be following up with training on completing incident reports. In the meantime, if you need assistance in completing the report, please do not hesitate to reach out to any of the reporting leads team.

**If you are still not sure which form to use, pick the one that closest fits your situation and our team will make sure it gets to the right people.*

CARE Team Reporting Page (show cased as an example of all report landing pages):

The example below has areas highlighted and has a description located at the bottom of the graphic.

Navigating the NEW Incident Reporting Webpage

The screenshot shows the Incident Reporting Home Page with a navigation menu on the left and a main content area on the right. The navigation menu includes links for Incident Reporting Home Page, CARE Team Reporting, Title IX Reporting, Security and Safety Reporting, Bias Reporting, and Campus Housing Reporting. Below these are three sections: 'Ready to Report?' (circled in red), 'Resources' (circled in blue), and 'Additional Resources' (circled in green). The 'Ready to Report?' section contains a link 'Review reporting options'. The 'Resources' section lists various services like Counseling, SVC Wellness Center, Student Life, etc. The 'Additional Resources' section lists external services like DVASAS and CADA. The main content area is titled 'What is the CARE Team?' and explains the CARE team's role. Below this text are four dropdown menus: 'What is the CARE Process?', 'The Life of a CARE Report', 'How Do I Make a Report?', and 'Who Is On the CARE TEAM?'. A yellow rounded rectangle highlights the entire main content area.

What is the CARE Team?

CARE stands for **Consultation, Assessment, Resource, and Education**.

The SVC CARE Team works directly with students to find solutions to academic, social, and personal issues that may impact a student's potential for success. Congruently, SVC seeks to foster a climate of safety that requires the involvement of all college community members. Faculty, staff, students, and other community members are encouraged to report observed behavior that warrants concerns for the safety and well-being of the community, or the safety of an individual.

Ready to report?: This area (link) will take you to the main incident report page.

Resources: These links typically direct you to an in-house (SVC) resource.

Additional Resources: These links typically direct you to outside resources or additional internal documents and helpful information. May also direct you to SVC policies. Internal documents or information can provide helpful examples for you to use in making more informed decisions, providing examples of faculty/staff email communications with students, providing students with information on specific reports and why they are being contacted.

Main and dropdown accordion areas: This area describes the type of report in more detail, what the process is, contact information of lead in the specific reporting area, and how to make/submit a report.
