Step 4 – The Skagit Valley Advisor will assess the student's information and make the decision regarding admissions and enrollment.

OR

Students who are sophomores or younger: Require approval from the Dean of Enrollment Services. The Dean will review the type of classes you plan to take, and, the unique situation that makes it necessary for you to attend the college.

If student is admitted, they can register for classes online or in person at Enrollment Services. Students are expected to pay by Tuition Due Date.

Parent/Guardian Consent

I give permission for my student to enroll for summer quarter classes. I understand Skagit Valley College does not make allowances to students because of their age and does not provide any special monitoring or guardianship for underage students. I also understand that the college expects my student to follow the same college standards and rules expected of all students.

Additionally, I understand that if my student is taking classes to complete high school graduation requirements, my student and I are responsible to make sure the high school accepts classes taken at the college. I also acknowledge my student must pay the full cost of tuition and fees.
